Dear Mr. Betz:

After careful review, we have decided that your registration with the Boy Scouts of America should be suspended. We are therefore compelled to request that you sever any relations that you may have with the Boy Scouts of America.

You should understand that BSA leadership registration is a privilege and is not automatically granted to everyone who applies. We reserve the right to suspend registration whenever there is a concern that an individual may not measure up to the high standards of leadership which the BSA seeks to provide for American youth. Please also understand that this decision and the reasons for it will be maintained as confidential.

If you wish to have this decision reviewed, please write to me, explaining your version of the facts supporting your claim that your registration as a BSA leader should be granted or reinstated.

Sincerely yours,

J. Chris Crawford  
President

Case No. 4657

JOURNAL ENTRY

This 24th day of October, 1983, this cause came on for sentencing, the Defendant having previously pleaded GUILTY on August 4, 1983, to the offense of Gross Sexual Imposition, a Felony of the Third Degree. The State of Ohio was represented by Peter R. Seibel, Prosecuting Attorney of Defiance County, and the Defendant appeared without Counsel having previously waived his right not to be represented by same.

A review of the Court file indicates that the Defendant was advised of his eligibility to opt for a determinate or indeterminate sentence and that the Defendant in writing stated to the Court that he wished to be sentenced under the determinate sentencing law. The Defendant was allowed to speak in mitigation of punishment and declined to make any comment. The Prosecuting Attorney made no statement. The Defendant then stated that he knew of no reason why sentence should not be imposed.

and a careful review
